Class Song

Now our happy days are gone
Time has come to move along.
Memories we will hold so dear
Of days gone by.

Many years we've worked and played
Dreams and plans were often made.
Laughs have often turned to tears
In days gone by.

Now we must say good-bye
To our friends of Goldston High
But we'll always hold dear
Every trial that we've met here.
Teachers, you have been so true
Time has come to say adieu
Future plans were laid by you
In days gone by.

Class History

At last, we conclude our twelve long years at Goldston High School. Graduation is here, and we realize that there are others waiting to take our places. Although these years have been full of tireless days and almost unsolvable problems, they have held many incidents and happy moments that we shall never forget.

We can still remember the fall of 1943 when we were enrolled at Goldston High School for the first time. As a class, we grew and developed together, sharing acquaintances and unsurpassed friendships of all our teachers.

Finally, in 1951, we reached high school. That year we were sponsored by our principal, Mr. G. P. Cullipher. We chose as our class officers, Pat Thomas, President; Billy Hart, Vice President; Glenn Smith, Secretary and Treasurer; and Larry Graham, Room Representative.

It didn't seem long before another year had passed, and we found ourselves constantly climbing higher. Unbelievable, but true, we were sophomores. This time, to steer us through the year, we chose as our leaders, Betty Lou Caudle, President; Jackie Miller, Vice President; Shirley Wilkins, Secretary and Treasurer; and Carolyn Caviness, Room Representative. During that year, the F. F. A., under the direction of Mr. C. O. Williford, sponsored its first Father-and-Son Banquet, and six of our girls served. Betty Lou Caudle and Ann Barber were also selected to marshal at the commencement exercises. Several out of our number were athletes and joined in celebrating our first Athletics Banquet; in addition, ten sophomores served at the Junior-Senior Banquet given that year.

Made confident through many undertakings of the previous year, as Juniors, we were an ambitious and determined group. To get us off to a good start, we elected Larry Graham, President; Jackie Miller, Vice President; Shelby Elkins, Secretary and Treasurer; and Pat Thomas, Room Representative. We selected "Rose Festival" as the theme, and honored the seniors with, what we thought, a very beautiful banquet. Having accomplished a very successful year of working and planning, along with the seniors, we decided to go to Florida on our customary class trip. We enjoyed tremendously the variety of activities we shared at Daytona Beach, Silver Springs, and other places we visited. To close another year, five girls marshaled at the commencement exercises with Betty Lou Caudle, chief; Shirley Wilkins, Inez Poe, Ann Barber, and Carolyn Caviness. We could scarcely believe that on our next return to school, we would be seniors!

But we were, and are, and now we were. This year, being our best and last, we strove hard to have the best annual ever published at Goldston. Also, we presented a senior play called "Here Come The Brides," that received many laughs. Our leaders for this great year were: Jackie Miller, President; Pat Thomas, Vice President; Carolyn Caviness, Secretary; Inez Poe, Treasurer; and Ann Barber, Room Representative. The last few months of school began to bring into view thoughts of another big event—the trip that only the seniors would take! Then, the wonderful finish—Graduation!

To end up twelve years correctly, the 1955 Seniors extend to our principal, our teachers, and our friends, a hearty word of thanks for your inspiration through the years.

Junior Class Song

Our dear seniors, life is so short,
So make the best in all that you do.
Don't put off 'till tomorrow what could be today,
Just take life as it comes and enjoy yourselves.

Don't ever think that here's where learning ends
Keep up the study for your own good.
Life's full of mysteries that you could solve,
So remember the things that you learned in school.

Forever and always may your dreams come true
May life be filled with rich blessings, too.
Don't ever forget us at Old Goldston High
We'll be your friends until the very end.

Reflections

Almost a quarter of a century has passed since USECO published its first school annual. As we review those pages of yesteryear, a pleasant thought comes to mind—on some tomorrow this, the nineteen hundred and fifty-five edition, will take its place in your heart as a pictorial history of the "good ole' days."

We know this book will increase in value with the passing of each year, and are honored to have played a part in recording it.
